## Ready to lead globally?

Join one of the world's top-ranked management programmes and become part of a community that shapes international business. The Master in International Management/CEMS at the Prague University of Economics and Business ranked 17th in the Financial Times Masters in Management 2025 and CEMS global ranked 4th out of 234 programmes in the QS Masters in Management Rankings 2026. Our students don't just study international management – they live it. Awarded CEMS School of the Year 2023/24 and Global Strategy Course of the Year, CEMS VSE offers an unmatched mix of academic excellence, global exposure and real business experience.

### Why CEMS?

- Academic excellence:** Through the partnership with CEMS Alliance, the programme is benchmarked by top business schools worldwide.
- Top ranked:** FBA's Master in International Management/CEMS was ranked 14th in Financial Times Master in Management ranking 2025. In 2023, our students won CEMS Business Project of the Year 2023. During the last four years the International Strategy course was ranked in Top 3 courses of the year in the CEMS alliance.
- International exposure:** A study stay abroad at a chosen CEMS university and an internship abroad are indispensable parts of the programme.

- Networking:** By joining CEMS, the students become part of an international network active on a global scale.
- Real-life experience:** Students take part in various courses and seminars where they solve real-life business problems along with companies.
- Socializing:** Once a CEMSie, always a CEMSie! With CEMS, you will get an opportunity to attend various cultural and professional events.

### Programme strengths

- » A unique curriculum of the International Management Major Specialization consisting of **Block Seminar** (1 week), **Global Citizenship Seminar** (2 days), **Skill seminars** (4 days), **Business Project**, **Exchange semester** at selected CEMS partner university and Mandatory and Elective courses according to Study Plan, which cover areas of **Strategy, Leadership, Marketing, Corporate Finance, Design Thinking, Entrepreneurship**, etc.
- » Two areas of Minor Specialization tailored to student's skills with possible choice of **NextGen Consulting** or **Marketing** with a strong focus on ESG topics.
