About

Become part of a global network of professionals, gain international experience and spend a semester abroad at one of the best business schools in the world. Become a CEMSie at CEMS School of the Year 2022! The full-time Master's Programme in International Management/CEMS at the Prague University of Economics and Business is an academic training programme for top students demonstrating academic excellence, professional skills, international openness and social responsibility with interests and career intentions in an international environment. Graduates receive, in addition to the Czech master title Ing., an internationally recognized certificate of the CEMS MIM, Master in International Management.

Why CEMS?

- 1. Academic excellence:** Through the partnership with CEMS Alliance, the programme is benchmarked by top business schools worldwide.
- 2. Top ranked:** FBA's Master in International Management/CEMS was ranked 16th in Financial Times Master in Management ranking 2024. In 2023, our students won CEMS Business Project of the Year 2023. During the last three years the International Strategy course was ranked in Top 3 courses of the year in the CEMS alliance.
- 3. International exposure:** A study stay abroad at a chosen CEMS university and an internship abroad are indispensable parts of the programme.

- 4. Networking:** By joining CEMS, the students become part of an international network active on a global scale.
- 5. Real-life experience:** Students take part in various courses and seminars where they solve real-life business problems along with companies.
- 6. Socializing:** Once a CEMSie, always a CEMSie! With CEMS, you will get an opportunity to attend various cultural and professional events.

Programme strengths

- » A unique curriculum of the International Management Major Specialization consisting of **Block Seminar** (1 week), **Global Citizenship Seminar** (2 days), **Skill seminars** (4 days), **Business Project, Exchange semester** at selected CEMS partner university and Mandatory and Elective courses according to Study Plan, which cover areas of **Strategy, Leadership, Marketing, Corporate Finance, Design Thinking, Entrepreneurship**, etc.
