

Alumni Speed Dating

Dear alumni,

We are excited to announce yet another initiative designed to foster the connection between current CEMSies and alumni members - Alumni Speed Dating. The concept is designed to give the students the opportunity to interact with as many graduates as possible in a short amount of time. We plan to have representatives from different industries to provide their perspective and answer the questions the students might have. With many CEMSies about to graduate and yet unsure about their career path, this is your chance to make an impact and help them navigate through the workforce.

During the event the participating alumni will be assigned to a specific location/table and the rotation will be organized among students. Depending on the final number of participants, the number of students at each table will be developed. The time of the specific interaction will also be determined based on the number of participants on both sides and communicated in advance to ensure an efficient flow of the event.

The event is scheduled for November 25th at 19:30 and will take place at VSE. The rooms and more details will be communicated further.

In case you are interested in participating we kindly ask you to fill in the survey below by **November 11th midnight**.

Registration: <https://bit.ly/3wqbhi9>

We rely on your cooperation and look forward to seeing you soon!
